

Short Biography

Dr. Hugo Solana Goya

The Dr. Hugo Solana Goya is Doctor in Animal Science. Studied at the Faculty of Veterinary Sciences in National University of Central Buenos Aires UNCPBA (Argentina). Is Veterinarian since 1982 and PhD since 2000. Since 2007 is Director of the Laboratory of Cellular and Molecular Biology of FCV-UNCPBA in the area of Molecular Parasitology (Resistance Anthelmintic).

UNDERGRADUATE TEACHING

Is professor of the course *Systemic and Cellular Biology* in the College of Veterinary Science and is professor of *Molecular and Cellular Biology* in the College of Degree in Biological Science both of UNCPBA.

POSTGRADUATE TEACHING

Is General Coordinator of the courses *Research Methodology in Biomedical Sciences* and *Applied Analytical Procedures for Research in Biomedical Sciences* in the College of Ph. D in Animal Science both of UNCPBA.

HUMAN RESOURCE TRAINING

At the present have 1 (one) investigator (research assistant) and 1 (one) postdoctoral fellow. It has culminated three doctorates, and 2 in progress. He formed 9 (nine) fellows and 5 (five) trainees

SCIENTIFIC PRODUCTION

Book: 1 (one)

Articles in book: 2 (two)

Internationals publications: More of 45 (Forty five)

Internationals communications: More of 80 (Eighty)

SOURCES OF FUNDING

European Union, FONCyT-Argentina, INIFAP-Mexico, CONCyTEC-Perú, SECAT UNCPBA-Argentina

RESEARCH FIELD

Cellular Biology, Molecular Biology, Parasitology, metabolism, xenobiotics, gene expression, anthelmintic resistance
